Challenges We Face

2,437 Total protesters

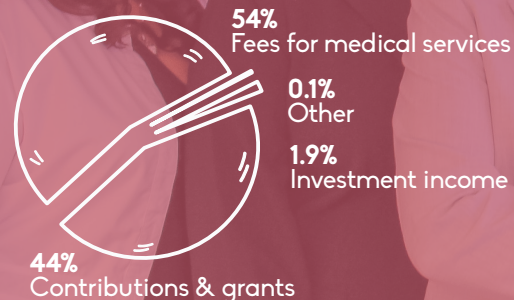

11 Anti-abortion bills considered

Every day, people walk into Preterm with plans for a brighter future. We help them achieve that future by offering the respectful, nonjudgmental health care we all deserve.

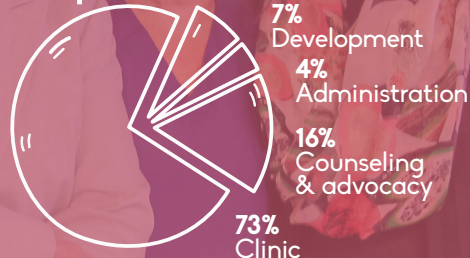

How We Get it Done

In fiscal year 2016, almost 1,200 individuals, foundations, abortion funds, and local businesses supported Preterm. Combined with patient fees and investments, income was about \$4.2 million.
